50 Vic., No. 20. (13 Oct., 1886.)	The license may be renewed by the Minister for another year upon payment of a like sum of sixpence per acre of the land comprised therein, and upon proof to the satisfaction of the Minister that the licensee has during the period of the license used reasonable endeavours to search for coal upon the land, and has not used the land for any purpose not hereby authorised. If during the period of the license or the renewed license the licensee desires so to do he may apply under the provisions of the Principal Act for a lease of any part of the land comprised in the license not exceeding three hundred and twenty acres in extent, and his application shall have precedence over the application of any other person for the same land. The yearly rent of land leased for the purpose of mining for coal shall, instead of being at the rate of ten shillings per acre as provided by the Principal Act, be at the rate of sixpence per acre, and there shall also be reserved in the lease a royalty at the rate of threepence for every ton of coal raised from the land during the first ten years of the term of the lease, and at the rate of sixpence for every ton raised during the remainder of the term. The times and mode of ascertaining the amount of any royalty so payable and the time for payment thereof shall be prescribed by the lease. NOTE.—The amount actually realised bears but a small proportion to the amount sought to be recovered; but it must be borne in mind that in many cases the defendant, on a levy being made, becomes insolvent, and any property seized passes to the Official Trustee for the benefit of the Creditors, and consequently no sale by the Sheriff takes place. Many also of these writs of *fieri facias* were for large amounts, the suitors holding mortgages over and being in possession of the property seized, and were merely lodged for the purpose of obtaining the Sheriff's title for the conveyance of the interest, the purchase money being nominal.
